WE SERVE

**Watch Your Mailbox for Special Survey;
Tell Us How You Want to Serve Your Club**

Some of you might not have had the opportunity to volunteer for service when this famous poster first appeared back in **1917**. Now you have a second chance! Don't waste it!!

In the next few days, you will receive a survey form in the mail from the Big Lion. It will contain the list of committees and activities that are necessary to meet club goals and obligations. You can mark the ones on which you'd like to serve during the rest of this year.

When the forms are returned, a Committee on Committees will review them and make recommendations to the Board of Directors for committee appointments. Every effort will be made to make assignments based on *your* preferences.

Please don't think that "somebody else" will do the work. Each of you has unique talents and abilities. Don't be shy about volunteering them for the good of the whole. Return the form by the deadline date and be counted in for service!

(See the short story at the bottom of page 4.)

**Mobile Screening Unit (*Sight Bus*) to be at
Overland Park Fall Festival in September**

The new Mobile Screening Unit (*MSU*), which many of us fondly remember as the "Sight Bus," is tentatively scheduled to be at the Overland Park Fall Festival on Saturday, September 25.

Plans call for the MSU to be parked at the Matt Ross Community Center and to be open from 8 AM to 5 PM on September 25. Our club is responsible for getting sufficient personnel on board to assist in the various types of screening—not just sight—that will be conducted during the day.

The presence of the MSU should result in a lot of favorable publicity for Lions in this area. Attendees at the festival will see Lions at work. More important, the many free screening processes may reveal health problems that need professional medical attention and treatment.

Lion Carleen Rajala of the Shawnee Lions Club is Zone Chair for north Johnson County and Wyandotte County. She will ask Lions from clubs in her zone to serve on the MSU so that OPHLC members can focus on our fund-raising booth at the Fall Festival.

The MSU is no longer a bus but a fifth-wheel trailer towed by a heavy-duty truck. Joint funding from the Kansas Lions Sight Foundation and the Blue Cross Blue Shield of Kansas Foundation made the new vehicle—along with upgraded screening facilities inside—possible.

A long-term agreement between the two foundations resulted in a pledge from the Blue Cross Blue Shield of Kansas Foundation of \$500,000 for operating expenses over the life of the agreement.

Guest speakers will be three of the four Shawnee Mission High School graduates who received our club's scholarships this year.

District Governor's Point Contest is Back and We Plan to Win! Here Are Ways YOU Can Help

District Governor Michele Hufferd (Louisburg Lions Club) has re-instituted the traditional Governor's Point Contest for 2010-11. The contest can be a real spirit builder.

A winner in each of three groups will be announced after next June 30. Our club is in Group 2, clubs with 21 to 40 members. We still stay in that group all year regardless of any membership increase that occurs (we have 37 members at present).

Years ago—in the 1970s and '80s—we won several Governor's contests. There was a time when we won what we called the "Triple Crown"—three years in a row!

The club's Board of Directors agreed last Saturday (July 17) that we should "go for it" again—to make every effort to win first prize in our group.

Each Lion—that's *you* and *you* and *you and yes, YOU!*—can help earn points in many ways:

Sponsor new members 500 for each one

Donation of \$20 to KU Cancer Center 500

Donation of \$20 to Leader Dogs for the Blind 500

Donation of \$20 to KSOS dog school 500

Donation of \$20 to CARES dog school 500

Participate in district service activity 500

(There are several activities planned to be announced later; *you get 500 points each time you participate*).

Attend a leadership training seminar 200

Attend USA/Canada Lions Leadership Forum 200

Attend State Council meetings or convention ... 200 each

Participate in club visitations (Points vary)

Visits to clubs out of U. S., 200; to clubs out of district, 150; to clubs within district, 100. Bonus of 25 points per member for round-trips over 50 miles.

Points are earned for each visit, except only two visits to the same club count.

Attend District Cabinet or Zone meetings 200 each time

Collect used eye glasses (club activity) 5 points each

Collect used hearing aids (club activity) 5 points each

Donate Lions trading pins to Kansas State Lions

Spare-Pin project 5 points each pin

In addition, there are other point categories in which the club as a whole can earn points. Examples: Sponsor a new club; sponsor a new Leos club; sponsor Peace Poster contests; show a net membership increase of 5%; and *club* donations to the various dog schools, sight programs, and foundations; etc.

Every member of the club **can do something** to help build a winning point total! Please do your part!

From time to time, you'll get reports on how we're doing, and when the District Governor announces progress, you can see how we're doing compared with the other clubs in our group.

Ever wonder where the money goes?

Overland Park Host Lions Raised and Gave \$17,000 During 2009-2010 Service Year

Overland Park Host Lions work hard on various fund-raising activities during a year—Metcalf Avenue of Flags, Overland Park Fall Festival, Candy Days, Pasta Supper and Silent Auction—but too often we don't stop to look at what we do with the money we earn.

Lion Treasurer Roger Claxton has compiled the summary below, listing the organizations or purposes we support and the amounts for each that this club—**YOUR** club—contributed.

Footnotes explain some of the less-familiar items.

Let's pat ourselves on the back for a job well done and then strive to do even more in the coming year!

Eyeglasses for Indigent Persons	\$	490.00
Boy Scout Troop #425		500.00
Cub Scout Pack #3254		225.00
Scholarships for high school seniors		1,500.00

Leader Dogs for the Blind School		500.00
Total		<u>\$ 16,987.25</u>

¹Faith Village is a group home for developmentally disabled adults. This expense covered materials for special bookcase crafted by **Lion Roger Claxton**.

²We contributed to We the People to help a high school student attend a leadership training conference.

³We contributed to Sports Center for the Disabled to provide "scholarships" for financially-deprived students.

⁴KSSB = Kansas State School for the Blind.

⁵These items were paid through the Kansas Lions Sight Foundation (KLSF).

⁶LCIF = Lions Clubs International Foundation.

⁷CARES = Canine Assistance Rehabilitation Education & Services.

Kansas Lions State Convention Will Return to District 17-O (Lawrence) in June, 2011

Lawrence, Kansas will be the site of the Kansas Lions State Convention June 2-4, 2011. The convention hotel will be the Holiday Inn.

The annual State Band concert will again be held at Baker University in Baldwin City.

PDG Peggy Jacobson (Overland Park Noon Lions Club) is overall chairperson of the convention.

International President Sid L. Scruggs III and his wife Judy will be the featured guests.

New LCI President Lays Out Detailed Action Plan

During the coming year, we'll be hearing much about the programs of 2010-11 **International President Sid L. Scruggs III** who assumed office at the convention in Sydney, Australia earlier this month. His theme is "A Beacon of Hope." His logo includes a picture of the Cape Hatteras lighthouse on the coast of his home state of North Carolina. See bottom of page 1.

President Scruggs outlined four major areas of service. In August he wants clubs to "Shine a Light on Youth." In October the emphasis will be to "Shine a Light on Blindness." For November and December the theme is "Shine a Light on Hunger." Next April we're to "Shine a Light on the Environment."

District Governor Michele Hufferd and club leaders from around the district are busy at work laying out plans for meeting the president's goals. A drive to collect school supplies will take place in August, meeting the goal of working for youth. Details will be announced later.

2010-11 Officers Installed by District Governor

Club officers for this year were installed by District Governor Michele Hufferd at the regular meeting of July 17 at the Red Robin.

Governor Hufferd gave each officer a pen or pencil of a particular color and related how that color represented the qualities and responsibilities of their positions.

The installation was held in July because Governor Hufferd was at District Governor's School and the Lions Club International Convention in Sydney, Australia during the last week of June. Big Lion Neal and Beverly Nichols also were at the convention.

New officers are:

President	Neal Nichols
1st Vice President	Paul Roemer
2nd Vice President	Chris Pucci
Immediate Past President	Bob Larson
Secretary	Carole Collyard
Treasurer	Roger Claxton
Tail Twister:	Ken Collyard
Membership Committee:	Beverly Nichols (Chair)
Membership Committee:	Grant Rogers (Vice-Chair)
Membership Committee:	Cindy Fisher (Member)
Lion Tamer:	Bryan Lanigan
Director (2010-2012):	Mae Claxton
Director (2010-2012):	Heather Lanigan
Directors continuing in office:	
.....	Edson Parker (2009-2011)
.....	Dottie Bloome (2008-2011).

These club leaders make up the Board of Directors. The Board conducts most club business. Except in unusual circumstances, board meetings are not held at the same time as regular club meetings.

Any member of the club is welcome to attend board meetings. Currently the board meets at Mimi's Café at Oak Park Mall (near 95th and Quivira) on the first Saturday of every month. This year, however, the meetings in August, September, November and June will be held on the third Saturday to avoid conflict with other scheduled activities.

Next Lions Clubs International Convention Will Be Held in Seattle, Washington July 4 – 8, 2011

The next International Convention will be in Seattle, Washington from July 4-8, 2011. The convention brings together Lions from all over the world.

Highlights of the convention include a parade in the streets of the host city, the display of flags of all the nations where Lions Clubs exist, an international show, numerous exhibits and displays, and the election of a Second Vice President and several new members to the International Board of Directors.

Efforts are being made to have an Alaskan cruise and land tour for Kansas Lions, departing out of Vancouver, British Columbia on July 9. This will be discussed at the Kansas Lions State Council meeting early next month and details will be announced later.

For registration information and forms, go to www.lionsclubs.org, click on the "News and Events" button, then click on the "International Convention" button on left-hand side, then click on the "For Attendees" button. More details and instructions on downloading forms will be found there.

The President's Message for July . . .

by Lion Neal Nichols

We've all heard the old saying, "He's wearing two hats." Well, that's the position I'm in as we begin this new year of Lions service.

Each month for the past few years, the Big Lion has provided a monthly message for the *Roar*. As *Ye Olde Editor* for at least the last four years, I've done most of the other writing for the newsletter. So how should the "President's Message" be different now?

One solution is to have a creative Lion step forward and volunteer to be the *Lions' Roar* editor, if only for this year. A fresh approach to content and writing probably would do us all some good!

Otherwise . . . well, I suppose this space becomes only an extension of the rest of the newsletter. I'll wear the president's hat in this column and the editor's hat elsewhere.

At the July 10 meeting, I shared my vision of our club's future, or at least the direction I hope it go this year. I want us—and the Board of Directors has agreed with me—to win the District Governor's Point Contest for our division (21-40 members).

We need to increase our involvement in zone, district, and state meetings. This will include more visits to other clubs and more members going on each of those visits.

I hope you don't see me as a wistful old man nearing the end of the road and looking back longingly at the "way things were." But there was a time when our club always had a *HUGE* presence at district conventions, state conventions and the Mid-Winter Rally. We were one of the premier clubs not only in the District but at the state level as well. There should be no reason that we can't attain these heights again.

A net membership increase of 5% shouldn't be too hard to achieve—that's only two new members for the year. Of course, we may lose members through the year for a variety of reasons and each of those must be replaced. But if each of us identifies and invites service-minded prospects to our meetings, recruiting them into Lionism should take care of itself.

Let's keep our attendance up, too! Make it a point to be at the meeting on Saturday!

—Big Lion Neal

2011: Anchorage, Alaska

2012: Tampa Bay, Florida

2013: OVERLAND PARK KANSAS!

2014: San Juan, Puerto Rico

This is a story about a Lions club (and it's best for it to remain nameless). Four members in that club were named **Everybody**, **Somebody**, **Anybody** and **Nobody**.

An important service project needed to be planned and completed. **Everybody** was sure that **Somebody** would do it. **Anybody** could have done it, but **Nobody** did it. **Somebody** got upset about that, because it was **Everybody**'s job. **Everybody** thought **Anybody** could do it, but **Nobody** realized that **Everybody** wouldn't do it.

It ended up that **Everybody** blamed **Somebody** when **Nobody** did what **Anybody** could have.
